

PROJECT MANAGER, RESIDUE AND WASTE SURVEYS

THE COMPANY

Silvicon Services Inc. is a well established, progressive, forest management consulting firm. Silvicon has provided full-phase forest management and environmental services to forest companies and government agencies throughout British Columbia and Alberta for over 25 years.

Silvicon operates out of beautiful Smithers, British Columbia. Smithers, a regional service center for the Bulkley Valley, boast a vibrant community offering outstanding outdoor recreational activities in an idyllic natural setting. For more information on Silvicon Services Inc. or the community of Smithers, BC please visit: www.silvicon.com, www.town.smithers.bc.ca, and / or www.tourismsmithers.com

THE POSITION

The Residue and Waste Survey Project Manager will work closely with our Licensed Scaler to recruit, motivate, train and manage support staff for a program that completes approximately 8,000 hectares of waste surveys annually. The candidate will supervise the completion of all contract phases as well as implement and enforce internal quality control throughout the course of all projects. This is a full time position and will provide the successful applicant with a varied workload consisting of both field and office time.

QUALIFICATIONS

- Possess a good working knowledge of current BC Forest Legislation and Regulations
- Physically fit and capable of thriving in a demanding outdoor environment
- Valid Class 5 Driver's Licence and safe driving record
- Registered Professional Forester, Forester in Training, Registered Forest Technician, or a certified Residue and Waste surveyor with at least one year experience
- Strong communication, organizational and human relations skills
- Computer experience, especially with on-line data management and Excel

Silvicon offers a competitive salary, comprehensive benefit package and a flexible work schedule. If you believe you possess the skills and qualifications we are seeking, please send a resume to:
