

RESIDUE AND WASTE SURVEY TECHNICIANS

THE COMPANY

Silvicon Services Inc. is a well established, progressive, forest management consulting firm. Silvicon has provided full-phase forest management and environmental services to forest companies and government agencies throughout British Columbia and Alberta for over 25 years.

Silvicon operates out of beautiful Smithers, British Columbia. Smithers, a regional service center for the Bulkley Valley, boast a vibrant community offering outstanding outdoor recreational activities in an idyllic natural setting. For more information on Silvicon Services Inc. or the community of Smithers, BC please visit: www.silvicon.com, www.town.smithers.bc.ca, and / or www.tourismsmithers.com

THE POSITION

The Residue and Waste Survey Technician positions we currently have available require the successful candidates to work closely with our licensed Log Scaler and Residue and Waste Survey Program Manager to complete field survey assessments on post logging waste levels as per established Provincial protocols. The candidates will be trained on the job to conduct these assessments and will be exposed to various geographical areas of north western BC. These are full time, seasonal positions and will provide the successful applicants with some variety in the workload as the positions will also require some office time to facilitate the completion of the surveys required.

QUALIFICATIONS

- Physically fit and capable of thriving in a demanding outdoor environment
- Valid Class 5 driver's licence and safe driving record
- Previous forestry related work experience is a significant asset however Silvicon is committing to on the job training for these positions
- Strong communication, organizational and human relations skills

Silvicon offers a competitive salary, comprehensive benefit package and an accommodating work schedule. If you believe you possess the skills and qualifications we are seeking, please send a resume to:

Silvicon Services Inc.
Box 490, 3560 Victoria Drive
Smithers, BC V0J 2N0
Phone: (250)847-3680 e-mail: general@silvicon.com

As only short list candidates will be contacted, we thank you in advance for your interest.
